

CAPA Judging Course

Are you interested in learning how to evaluate and score photographic images or becoming a trained Judge?

CAPA is pleased to announce that two new classes of our very popular Judging course are coming soon to BC. This course teaches you how to see an image, comment on its strengths and opportunities, and how to correctly score it at Club and CAPA competitions.

You will quickly learn how to;

- ❖ *Identify The Strengths and weaknesses in a photograph*
- ❖ *See the message the photographer intends*
- ❖ *Spot the criteria that makes a photograph great*
- ❖ *Understand the Techniques used to create the image*
- ❖ *Set aside your own personal bias when evaluating*
- ❖ *Apply a fair and impartial score to an image*
- ❖ *Understand what judges look for in your photography*
- ❖ *Discover new options for evaluating photography*
- ❖ *Know why it's ok to break 'rules' for great photography*
- ❖ *Qualify to become a CAPA Certified Judge*

Courses currently Scheduled for the Pacific Zone are
